

Amendments to the Drawings:

Please amend Figure 4 of the application as follows:

Replace reference numeral 110 at the upper center of the figure with reference numeral 100.

Add reference numeral 104 at the upper right of the drawing with a lead line directed to the box labeled "Host Sends Changing Data Message".

Add reference numeral 106 at the upper right of the drawing with a lead line directed to the box labeled "Module Repeats Message".

Two copies of a red-lined drawing incorporating the changes indicated above are enclosed for the Examiner's approval.
